Dear Mr Dyke:

I attended Harlow College from 1938 to 1945 but due to the war + other problems, I did not graduate.

I recently visited Harlow with my family to show them where "Grandpa" went to school. As we already knew, the school had been demolished circa 1965 but everyone still wanted to see the church I attended daily + the cafe where

my uncle took me for baked beans on toast!

A very helpful lady at the church gave me your name + suggested I write you to inquire about becoming a member of "The Old Harlovians." I would therefore appreciate your letting me know how I can join this organization.

As a matter of interest, I enclose a photocopy of my class of 1939. I am fourth from the left in the top row. I should also mention that my uncle George Richardson attended Harlow College as did my cousins (his sons), Keith + Duncan Richardson.

I look forward to hearing from you.

Sincerely,

RICHARD G.S. STUART

Dear Michael:

Many thanks for your letter dated 25 Oct 06 confirming that I am now an official member of the Old Harlovians Club. I have noted that the next reunion dinner will be on 19 May 2007 + I do hope to be able to attend.

Yes, Duncan Richardson from Barbados is my first cousin. He + his brother Keith (who died in May 2002) are the sons of my Uncle George Richardson, who

also attended Harlow College. He made his home in Trinidad + Tobago.

Unfortunately, I have never met Duncan. The only time he came to Miami we were on holiday in Latin America but he did meet our two children who wined + dined him!

Warmest best wishes
to you for Christmas
+ the New Year.
Yours

Dick Stuart
